

FROM THE DESK OF...

This month of October we have celebrated Teachers' Day, and I would like to use this opportunity to express my gratitude to all of the teachers who daily invest their expertise, knowledge, love, care and time in the lives of the children.

There is often so much joy in the outlook and expression of children, particularly in small children and here on the Junior Campus the sheer joyfulness of our littlest pupils, the Grade R's is very evident. At the end of October, they will have been in Grade R for 10 months and we remarked recently on how far these little ones have come this year, in terms of their academic progress and emotional maturity. They are often a whirlwind of energy and giggles but their simple and sweet chatter and observations are a real inspiration and motivation for us all.

As the adults in their lives, may we consistently be a model of all the values we instil but also take the time to connect emotionally – smile, hug, tickle, read, play, dance and laugh with them!

As we hurtle towards the end of the school term and academic year, may I remind parents to monitor your child's uniform standards and general appearance when they leave home in the mornings and accompany you to the shops or elsewhere at home time. A full uniform with school shoes or PE kit with takkies needs to be worn and we appreciate the continued support of so many families in maintaining these high standards. Although most of our pupils spend most of the day barefoot (as children should!) it is important that they are smart and polite ambassadors of Chelsea Preparatory School when out and about.

I had the privilege of attending the Northwood Boys' High School prize-giving morning earlier this month and it was a special opportunity to see so many of our ex Chelsea pupils now big and strapping young men, so proudly receive awards for their achievements.

This term we prepare for the Grade R Christmas concert and this is always a special event on the calendar with the "cuteness factor on full display!

We have shows to enjoy, cricket matches and our JP Invitational Gala to prepare for, as well as the welcoming of all our 2025 pupils at the Beginner's Days.

Let us enjoy and embrace each and every special occasion in our children's lives, as before we know it, they are at the end of their schooling, having a Matric Farewell.

In the words of Bob Marley: *"Some people feel the rain, Others just get wet."*
