Ref: Admissions

Dear Parent

### **2026 APPLICATION FOR ADMISSION - GRADE R AND GRADE 1**

Thank you for your enquiry regarding the application for admission of your child to Chelsea Preparatory School.

Attached please find an application form, which is to be completed in full and returned to the School, together with the following:

#### **Child's Documentation**

- Certified Unabridged Birth Certificate
- Immunization Card
- Latest School Report
- Passport Photograph

#### **Parent/Guardian's Documentation**

- Proof of Residence (Municipal Account / Lease Agreement) not older than 3 months
- Certified copies of Identity Documents for both parents
- Statement of school fees from previous school
- If self-employed, a Business Card and proof of company registration. Please staple the card to the application for admission form.
- Applications received from a foreigner must be accompanied by the appropriate documentation for entry into a South African School, including a Residence Permit and Study Visa.

**The application form must be completed in full, and all supporting documentation provided, before it will be received and processed.**

- It is important to please note the following with regards to the admissions process:
- The completion and submission of this form does not in any way imply acceptance of your child.
- The acceptance of siblings is not automatic.
- Preference is given to applicants living in close proximity to Chelsea Preparatory School.
- If a parent gained entrance for his/her child to this School by making a false statement regarding his/her place of residence, or any other information, the School is entitled to revoke the agreement, which allowed the learner concerned admission to this school.
- The high standard of education set at Chelsea Preparatory School is dependent on the compulsory school fees paid by parents. The 2025 fee is R47 800.00 per learner. This is expected to increase annually.

- Closing date for applications is 31 March 2025 for 2026 intake into Grade R and Grade 1, although admissions will continue until the School is deemed full.

### **GRADE R**

Prospective Grade R parents are requested to note that Grade R is not part of the compulsory schooling phase. The School, therefore, receives minimal state funding for Grade R which is financed largely via the fees paid by the pupils in this grade. Because of this, it has been resolved by the School's Governing Body that we cannot offer financial assistance to any parents who have children in Grade R. Our school is not bound by law to offer assistance in terms of the South African School's Act, and we cannot expect a small group of parents in this grade to subsidize other children. Parents are thus cautioned when applying for enrolment for Grade R, it is with the clear understanding that no assistance can be offered with the prescribed school fees.

Thank you for your interest shown in Chelsea Preparatory School. Please contact the School should you require any further information.

Yours sincerely

**G MAARTENS (Mr)**
