

FROM THE DESK OF...

“Life is a song – sing it,” is a quote by Sai Baba. Chelsea Prep’s Junior Campus is a wonderful place for venturing into the world of Music. From Grade R, our pupils are encouraged to sing, move to music, learn rhythm, and take up instruments as part of the curriculum. By the time they are in Grade 3, more often than not, the love for all things musical is well and truly embedded in their hearts.

This was more than evident at the Musical Moments performances held on the Senior Campus in the last week of the second term, when both the Junior and Senior choirs performed and sang their hearts out, standing on the stage for the massed item. The huge number of children were barely able to fit onto the stage but sang with such confidence, clarity and gusto – what a joyful way to end the term! Besides the sheer pleasure music brings to our lives, music also helps children build on their listening and language skills; it develops their self-esteem, it encourages creativity and imagination, it relieves stress and it even develops maths skills.

Staying with performances, our Grade 3 pupils took centre stage in their production of “Aladdin”. They brought so much energy and excitement to the stage in Chelsea’s version of this well known fable.

Every single Grade 3 pupil was involved in the singing, dancing or acting, and we are so proud of them for their many talents and for learning to co-operate, take turns and perform to their hearts’ content.

We will also be showcasing our children’s artistic talents when selected children are chosen to display their art at the Virginia Art Festival in August.

To celebrate Mandela Day on 18 July, it is fitting that our pupils across both campuses have started collecting socks in a charity drive for an underprivileged school in the North Durban community. We hope we have a wonderful response to this collection.

As we officially start the downward slide to the end of the year, Term 3 promises to be yet another busy term with hockey as our main sport for the Junior Campus and matches planned early this term.

We also look forward to a number of excursions, the annual Grade 1 Cinderella Ball and, at the end of August, the Junior Fundraiser, which this year will be a little different from previous years.

Watch this space...

Wishing everyone a successful Term 3.

Mrs Maritz
Deputy Principal

CONGRATULATIONS

WELCOME

Mrs Höll (nee Teunissen) and **Mrs Marais** (nee Tedder) got married during the June/July school holidays. May this new chapter in your lives be filled with love, happiness, and wonderful memories.

Mr Khalipha Cele joins us from Michaelhouse and will be overseeing the sports programme across both campuses.
