

Chelsea Heartbeat

Issue No. 9 – 12 June 2026

From the Desk of...

Football World Cup fever is here and last week our pupils enjoyed an exciting assembly put together by Mrs Williams. Each class was given a country or two and were presented with their countries' flags to hold up in front of the school. The teachers have also been putting together interesting activities to encourage general knowledge and research, broadening world understanding.

The Football World Cup is not only an exciting global event, but also a powerful opportunity for our Chelsea children to learn meaningful life lessons.

Firstly, the tournament highlights the importance of teamwork. As Pelé once said, "No individual can win a game by himself." This reminds our pupils that cooperation, communication, and mutual support are key to achieving shared goals. In addition, perseverance, particularly for the lesser known teams, is clearly demonstrated throughout the tournament. Lionel Messi is famous for saying, "You have to fight to reach your dream. You have to sacrifice and work hard for it." There is no doubt that these words encourage children to remain determined, even when they face challenges. We hope that the Chelsea pupils who have worked hard for the recent exams will reap the rewards of their dedication and perseverance.

The World Cup also teaches respect and sportsmanship. Players compete fiercely, yet they show respect at the final whistle, reinforcing the value of humility and graciousness in both victory and defeat. Chelsea is without a doubt a strong sporting school, but it is important to remind our children that Good Sportsmanship is as important as winning!

Personal discipline and dedication by the players are also wonderful lessons for our pupils. We would all like to be famous sportsmen and women, but this does not happen without a lot of hard work. Cristiano Ronaldo once said, "Talent without working hard is nothing." This highlights the importance of effort and commitment in achieving success. A Chelsea pupil with talent will only succeed and fulfil this talent with practice, practice, practice and plenty of self-discipline. To be a great team we need everyone to use their talents and give of their best.

The diversity of the many nations involved in the World Cup helps children appreciate different cultures and perspectives, promoting inclusivity and global awareness, but more importantly in my opinion, it serves to unite all the diverse cultures in South Africa with a common unifying pride. Each of us stands behind our team, Bafana Bafana, whether we are soccer fanatics or not. These players are ours, and we will cheer for them (with or without Vuvuzelas!) as they represent us as a Rainbow Nation.

By engaging with the World Cup, our Chelsea children can gain inspiration and develop character traits that extend far beyond sport—helping them grow into respectful, resilient, and motivated individuals. Let's help our pupils to focus on all the positives and life lessons that the Football World Cup has to offer, and enjoy the tournament!

Chess

Our U9 Chess team have thoroughly enjoyed their chess matches over the last 2 weeks at Crawford La Lucia and Glenashley Primary School.

They have been practicing specific chess moves to help them move closer to "checkmate".

Netball

KZN CHAMPIONS

Congratulations to our U12 and U13 netball teams on their outstanding performances at the KZN Winning Schools' Championships.

Both teams were crowned KZN Champions in their age groups, earning the honour of representing KwaZulu-Natal at the South African Schools Winning Schools' Championships in Middelburg, Mpumalanga, during the third term.

This is a historic achievement for Chelsea, marking the first time our school will represent KZN nationally in both the U12 and U13 age groups simultaneously and an especially proud moment, as it will also be the first time Chelsea's U12 team represents KZN.

Congratulations to our players, coaches, and supporters on this incredible milestone. You have flown the Chelsea flag high and inspired the entire school community with your success.

We wish our teams every success as they prepare for the national championships.
