Staff Development: Inspired by Joey Evans' Journey

Our staff recently had the privilege of attending an inspiring professional development session presented by adventurer, author and motivational speaker, Joey Evans. Joey shared his remarkable journey from overcoming life-changing adversity to competing in the world-renowned Paris to Dakar Rally—one of the toughest endurance events on the planet.

While Joey's story is one of extraordinary courage and perseverance, his message extended far beyond motorsport. It was a powerful reminder that success is built one step at a time through resilience, determination, purposeful action and the courage to keep moving forward, even when the path is difficult.

Our teachers were able to reflect on how these principles apply to education every day. Learners often face challenges that require them to persevere through difficult subjects, learn from mistakes, and develop confidence by trying again. Joey's message reinforced the importance of creating classrooms where resilience, effort and a growth mindset are valued as highly as achievement.

As a school, we also recognise that these life lessons are strengthened when they are nurtured both at school and at home. Parents play an invaluable role in helping children develop resilience and independence.

There are many simple ways families can reinforce these values:

- Encourage your child to tackle a difficult task rather than giving up when it becomes challenging.
- Celebrate effort, perseverance and improvement, not only high marks or winning.

- Share stories of times when you had to overcome obstacles or learn from setbacks.
- Help your child set small, achievable goals and celebrate each milestone along the way.
- Allow children to solve age-appropriate problems independently, while knowing they have your support when needed.

When children see the adults in their lives facing challenges with optimism, perseverance and courage, they learn that setbacks are not failures but opportunities to grow.

Joey reminded us that every great journey begins with a single step and that extraordinary achievements are often the result of consistent, ordinary choices made over time. As educators and parents, we have the privilege of walking alongside our children on their own journeys, encouraging them to believe in themselves, embrace challenges and discover that they are capable of far more than they imagine.

We are grateful to Joey Evans for sharing his inspiring story and for reminding us that resilience, hope and purpose are qualities that can be cultivated in every child. Together, as a school community and as families, we can continue to equip our children with the confidence and character they need to thrive both in school and beyond.

Mr Maartens
Principal

- Concept Lux rug
- Children's books
- and lots of Lego, family goodies and wine!

News and Reminders

Musical Moments

At the end of Term 2, our talented Chelsea pupils performed in our annual Musical Moments recital.

And what a display of awesome musical talent from both our junior and senior choirs, our band, our Chelsea Singers, our marimba band, along with very special guest performances from Our Lady of Fatima's Senior Primary Choir, Danville Girls' High School's Choir, Maris Stella Primary School's Choir, and, Northwood School's Band.

Soprano singers, Alexandra Brown and Nicole Badenhorst, set the bar with an outstanding performance of Pie Jesu by Andrew Lloyd Webber. Rahul Timmal and Eva Rodriques followed with equally outstanding solo performances.

The evening's finale was a wonderful performance with both our junior and senior choirs combining to sing 'California Dreamin'!

Thank you to Our Lady of Fatima, Danville Girls' High School, Maris Stella and Northwood Band for joining in our productions.

Thank you to Drakensberg Boys' School for hosting Chelsea in a singing and choreography workshop with the Drakensberg Boys. We learnt so much, and our pupils loved the collaboration. The energy was electric, and the buzz of excitement was evident.

We are really proud of our incredibly outstanding performance on the world-class stage with the Drakensberg Boys' Choir. Their incredible talent inspired our choir to give of their best, and what an honour it was to perform alongside a choir that has performed internationally.

A heartfelt thank you to Mrs. Williams for the many hours organizing this amazing tour, Ms Cele and Miss. Pillay for their hard work behind the scenes, and Mr. Mkhize for his musical input.
